ORDER

THIS MATTER is before the court on defendant's *pro se* letter (#93). Having considered the letter and reviewed the pleadings, the court enters the following Order.

The letter (#93), *inter alia*, notes the numerous efforts that the defendant has taken toward self-development and education while incarcerated and includes certificates and transcripts thereto. This letter asks the court to convert the remainder of Mr. Mason's sentence from imprisonment to military service. The court cannot do so, but notes its appreciation of Mr. Mason's self-improvement efforts to date and encourages the defendant to seek out further self-development.

ORDER

IT IS, THEREFORE, ORDERED that to the extent defendant seeks relief from this Court in his *pro se* letter (#93), such relief is **DENIED**.
